Instructor: Candace Gossen
Mentor: Jake Hardwig

gossen@pdx.edu
piratesailing@yahoo.com

Required books:

Quinn, Daniel Ishmael
Wells, Malcolm Recovering America

Instructional Methodology: This is a (4) credit course. (3) credits will be for the biweekly meetings that will include multi-media presentations, lectures, debate and discussion, research and field trips. You must also register for one mentor session either on Monday or Wednesday.

Attendance Policy: Grading is based on participation, and a concerted effort in learning, Therefore one-hundred percent attendance is expected.

Course Syllabus: you will find your course syllabus online at www.solar783.com, click on education and then the Environmental Sustainability link. It is suggested that you check the web page daily as things change and important information is updated there continually.
